YACHT RACES AND TROPHIES

A SERIES OF RACES WILL BEGIN
NEXT SUNDAY AT PEARL HAR-
BOR—THE TROPHY CUPS.

The yacht races scheduled for Sunday July 12 at Pearl Harbor will be sailed, although the opening festivities at the club house have been indefinitely postponed. The yachts have been divided into five classes instead of four as formerly, the old third class having been divided into two. The new third class will be composed of the Myrtle, Princess, Mallini and the Wikiki. Others will be added to it as they show comparative speed. The remainder of the yachts which have heretofore constituted the third class will be the fourth class from now on, and the old fourth class is now the fifth class.

The cups for the whole season's sailing have been received and will be on exhibition in E. O. Hall & Son's window shortly. There are about forty of them in all, silver, silver-gilt, pewter, and copper. They are all engraved and ready for presentation as soon as they are won and the winner's name added to the engraving.

The races next Sunday will not be started until after the arrival of the train which leaves Honolulu at 9:15 in the morning. All the races this season will be started in the following manner: A preparatory bomb fired fifteen minutes before the starting of the lowest class. At the same time the club burgee will be hoisted to the club house mauka flagstaff. At the expiration of fifteen minutes a white

flag, bearing in black the number of the class next to start will be hoisted to the mauka staff. This will be lowered at the expiration of five minutes when that class shall be considered to have started. Five minutes later another flag, carrying in black the number of class will be hoisted to be hoisted down at the expiration of another five minutes on a flying start. This will continue with five minute intervals until all the classes have got away. At the end of the races the club burgee will be hoisted down. All starts will be flying and any boat crossing the line before the signal for the start in her class is given must turn and recross the line.

Dysentery causes the death of more people than small pox and yellow fever combined. In an army it is dreaded more than a battle. It requires prompt and effective treatment. Chamberlain's Colic, Cholera, and Diarrhoea Remedy has been used in nine epidemics of dysentery in the United States with perfect success, and has cured the most malignant cases both of children and adults, and under the most trying conditions. Every household should have a bottle at hand. Get it today. It may save a life. For sale by all dealers. Benson, Smith & Co., general agents.

Many dollars are turned away annually by The Star in rejecting offensive and improper advertisements offered for insertion in its columns.

This is a cogent reason why The Star's advertising columns are so generally used and so widely read.
